CHAIRMAN'S CORNER

Fellow Troopers,

I am pleased to take this opportunity to introduce myself to you all as the newly installed Chairman, Washington, D.C. Chapter, 82nd Airborne Division Association Inc. It is an honor to serve the soldiers and families who have provided us a legacy of excellence and continue the traditions, esprit and tenacious spirit of the airborne warrior. I recognize and appreciate the efforts of the outgoing Chairman Bill Ridley and thank him for all he has done and continues to do on behalf of the Chapter. I really appreciate his time and efforts to help me transition into the position.

It is clear to me that the core and success of the chapter continues to be well served by selfless, dedicated officers and members of the board of directors. I am impressed and appreciative of the efforts of the Board of Directors and Officers already and can report to you that these fine men are worthy of our admiration and support. I look forward to working with and just being around such superb quality.

Managed, balanced change can be a good thing for any organization. As I work with the Board of Directors/Officers and the members of this great organization, I will ask for your thoughts, time and help. I wish to focus my year of service to you on preserving the legacy of our chapter by sustaining those things that are enjoyed and appreciated while looking at new possibilities to reach out to new members, especially families and those still serving in uniform.

The core of our organization is its members. Active, involved, appreciated and fulfilled members ensure our legacy. It is time for all of us to engage in recruiting and retaining a wider population. Let's get involved and have fun. I am excited about the year ahead and am already reaping rewards just by being around patriots and history represented by our members.

Airborne All the Way!! Greg

From the Secretary:

Please note my Email and telephone number below. If you have a problem about the Chapter or Association, please let me know. I will help you when I can or direct it to the appropriate Chapter Officer. Also, if you are receiving the Newsletter via "Snail Mail" and would like to receive it by "Email", please forward your email address to me. I will also add it to Chairman Greg Beach and National Director Gordon Sumner's address book.

Members are requested to submit a change of address to the National Association and the Chapter Secretary on a timely basis. The National office should be contacted 30 days before the scheduled relocation, as there is a \$.60 charge for all returned PARAGLIDES. For the month of March I received eleven notices of returned Paraglides at a cost to the 82nd association of \$6.60. Multiply that by the many chapters, and you have a tidy sum. The Spring edition of the Paraglide is scheduled for publication and mailing on April 15th 2002. Due to the uncertainty of All-American Week to go as scheduled, the Winter edition of the magazine was mailed approximately two weeks late. When it arrives please check the mailing label. CI-02 means this is your last PARAGLIDE unless you renew your membership for the year 2002. A renewal application is in this DC Trooper Newsletter or you may download one from our Webmaster Bob Fritz on the DC Chapter Website http://www.sy-dc.com/82nd.

Belated welcome to the chapter of COL James H. Kovach (Ret). James has been with us for a year without recognition in the newsletter. He now resides in Arlington, VA. He recently became an All-American Paid for Life Member. Thanks and welcome aboard Jim.

Next Activity: Chapter Meeting April 6 – 1300 (1PM) Days Inn, Arlington

WASHINGTON, DC CHAPTER 82ND AIRBORNE DIVISION ASSOCIATION

Minutes of the March 2, 2002

Chairman Greg Beach called the meeting to order at 1300 hours with 18 members present. Chaplain Buck Simmons gave the Airborne Invocation followed by the Pledge of Allegiance led by our Sergeant of Arms, Bob Beck. The members thanked Trooper Beck for volunteering to take over the responsibilities for this year. Chairman Greg distributed handouts of the Agenda and the activity calendar for 2002. Greg welcomed the members and thanked Mary Simmons for her continued support of the Chapter.

Secretary Yates distributed the February 9th Meeting Minutes for the member's consideration. As there was no discussion, National Director Gordon Sumner made a motion to accept the minutes as presented. Seconded by George Stoeckert and approved.

Treasurer Wally Parr distributed handouts of the 2002 proposed budget. After a lengthy discussion, one additional item was added to Treasurer Parr's proposed budget. The registration fee for the Delegate to the National Convention. Past Chairman Gordon Sumner then made a motion to accept the proposal, seconded by Ken Leggett and approved. Wally then gave his year to date Treasurers Report describing the line items of debits and credit. After a short discussion, Chaplain Buck Simmons made a motion to accept the Treasurers Report, seconded by Ray Hilgart and approved.

Chairman Greg called for committee updates; the newly established Newsletter Committee formed to assemble the 200 copies of the "Snail Mail" newsletters, i.e. print and affix the address labels, tri-fold, staple and attach first class stamps. Dick Yates will continue to assemble the March 15th edition. The first newsletter of the year gives the Secretary the opportunity to personally remind the delinquent members to re-up their membership dues for the year. The committee's initial meeting to prepare the newsletter for mailing will be in early May.

Chairman Beach distributed 2002 calendars depicting the 82nd Airborne Division milestones and the Washington, DC Chapter major activities and events. He invited the members to suggest additional input. When fully completed the calendar will be a great addition for keeping abreast of the activities and historical events.

OLD BUSINESS: The Annual Picnic Chairman COL Bob Elliot (Ret) was not able to attend this meeting and asked Past Chairman Gordon Sumner to remind the membership of the June 22nd Chapter Picnic. It begins at 12 Noon in the War Memorial Park, Charlestown, West Virginia. at a cost of ten dollars. Bob will have more details and outline the activities at our April 6th meeting. Gordon continued by reminding the members of the evening festivities featuring the U.S Army Band performing at the Cavalier Heights Visitors Center, Harpers Ferry National Historical Park, (Just off Route 340) Harpers Ferry, West Virginia.

NEW BUSINESS: Sign-up sheets were distributed for the Joint Services Open House (Armed Forces Day) for volunteers to man the 82nd Airborne Division informational and Washington, DC Chapter recruitment booth at Andrews Air Force Base, Fri, 17th, Sat, 18th and Sunday May 19th. The response was good, but we need a few more volunteers for Saturday the 18th.

Gordon Sumner, in his capacity as an 82nd Association National Director, is coordinating the visit to this area of approximately 200 British Paratroopers of the 2nd and 3rd Para Units. These troopers will participate with the Blue Ridge All Airborne Chapter's annual "Spring Fling" from May 25th – 29th, then continue to Washington, DC, Gordon hopes to set up an itinerary to visit the memorials, military installations and a luncheon. The chapter members are encouraged to participate in the activities. As Gordon gets more information he will keep us informed.

Chairman Beach was approached as to the feasibility of getting a group together in warmer weather to visit the WWII Memorial at Bedford, VA. The suggestion was to make it a family affair to make the trip a learning experience for children, spouse and members. The suggestion was well received by the members. Gordon Sumner noted as the picnic has been moved to June, the month of July is now an open month. Greg volunteered to work on the details and report back to the members. Trooper George Stoeckert described another interesting activity for the chapter to consider as a family outing. The Chapter once before, visited Cedar Creek to observe the Civil War Battle Enactment that was great and enjoyed by everyone.. Chairman Beach agreed to look into Cedar Creek or some other activity for the July time frame.

Prior to closing Greg encouraged the members to read two excellent military books, "Ridgeway's Paratroopers" and the D-Day invasion "Beyond the Beach".

The March 50/50 Raffle was won by Sergeant-at-Arms, Bob Beck. Bob donated \$25.00 of his winnings to the chapter, Thanks, Bob AIRBORNE!!!

Chaplain Buck Simmons gave an update on Elaine Turner. She continues to recover from a stroke suffered last year. Our hopes and prayers go out to Past Chairman Verle and Elaine Turner. Dick Owen is recovering from a broken hip at a rehabilitation center. Dick expects to be there for another three weeks.

Trooper Beck made a motion to adjourn the meeting, seconded by Jim Rodier and approved by the members. Chaplain Simmons then led us in the "Airborne Benediction"

Next meeting is April 6th, 1300 hours, Days Inn Arlington. See you there.

AIRBORNE ATW!!!!
RESPECTFULLY SUBMITTED BY THE SECRETARY RICHARD YATES
